Although The Wineskin does not usually publish devotional material, we thought it appropriate to print this prayer for peace in the Middle East in light of the current situation there. It was sent to us by Dr. Charlesworth and is adapted from Prayers for Peace in the Middle East of the U.S. Inter-Religious Committee for Peace in the Middle East. It was prepared by a Christian, a Jew, and a Muslim.

"Eternal God, shepherd of every hope,
refuge of every bewildered heart,
and fountain of forgiveness for every contrite person
hear, we beseech you
our prayer for peace in the Middle East.

Help us to love our enemies,
not by countenancing their sins,
but by remembering our own.
And may we never for a moment forget
that they are fed by the same food,
hurt by the same weapons,
have children for whom they have the same high hopes as do we.

O God, we acknowledge that you have made of one blood
all the nations of the earth.
You love all of us as if all were but one,
and care for each as if you have no one else to care for.

Remembering such love,
may we gladly respond to your call
to work for peace and justice in the world."
